

## 2019 ST LEO'S COLLEGE RESIDENT'S PARKING CONDITIONS

*Parking is available for Associate Members of St Leo's College under the following conditions:-*

1. The grounds of St Leo's College are private property.
2. Parking is available to all Residents at a cost of \$225 per semester, as per the 2019 College Handbook.
3. Vehicles parked within College property are at the owner's risk. The College accepts no liability for any damage to vehicles.
4. Associate Members **must** register their vehicle details with the front office (by way of attached form); so that the fob can be encoded for car park entry and a permit label obtained.
5. **Registration papers** (either in your or a family member's name) must be provided/ sighted. Car parking will not be granted if not provided/ sighted.
6. A valid permit label **MUST** be clearly displayed, attached to the inside of the windscreen.
7. Access is via a boom gate located at the rear of the College, via Sir William MacGregor Drive. Associate Members must not park at the front of the college (College Rd entrance).
8. Parking is not permitted adjacent to **yellow-painted kerbs** or in such a way as to block movement in driveways for other vehicles, especially emergency vehicles. To do so will result in cancellation of the permit. Vehicles must be parked properly between lines, parallel (and close) to kerbs.
9. The permit is not transferable and must be used only by the Permit Holder for the designated vehicle. To allow access of the permit label to other people or vehicles, or to use the electronic fob to give access to other vehicles, will result in the imposition of penalties under the provisions of the 2019 Conditions of Residence which include a \$60 fine.
10. Changes of vehicle details **MUST** be advised to the College Office promptly. A change of vehicle details will require the issue of a replacement windscreen label **and** the surrender of the previous one – even in a damaged condition.
11. Cars illegally parked or without a valid permit label displayed will be towed.

St LEO'S  
COLLEGE  
(WITHIN THE UNIVERSITY OF QUEENSLAND)
