

## ST LEO'S COLLEGE EARLY OFFER PROGRAM 2023

St Leo's has approx. 95 places available for new residents each year. Once that quote is filled, the applicants will go on a wait list.

The Head of College will be guaranteeing accommodation through the "Early Offer" program until further notice. An Early Offer secures your spot at Leo's for 2023.

To avail oneself of an Early Offer a prospective Resident needs to have completed all components of the Application Process and to have paid the \$1300.00 pre-payment (inclusive of First Year and O Week charges).

Where a prospective Resident does not receive a QTAC offer or elects not to attend a Brisbane University, the College will refund \$1,300, up until 20 January 2023.
