

ST LEO'S COLLEGE FIRST ROUND OFFER 2023

St Leo's has approx. 95 places available for new residents each year. Once that quote is filled, the applicants will go on a wait list.

The Head of College will be guaranteeing accommodation through the "First Round Offer" program until further notice.

A First Round Offer secures your spot at Leo's for 2023.

To avail oneself of a First Round Offer a prospective Resident needs to have completed all components of the Application Process and to have paid the \$1350.00 pre-payment (inclusive of First Year and O Week charges).

Where a prospective Resident does not receive a QTAC offer or elects not to attend a Brisbane University, the College will refund \$1,300, up until 20 January, 2023.
