

ST LEO'S COLLEGE EARLY OFFER PROGRAM

2024 St Leo's has approx. 95 places available for new residents each year. Once that quota is filled, the applicants will go on a wait list.

The Head of College will be guaranteeing accommodation through the "Early Offer" program until further notice. An Early Offer secures your spot at Leo's for 2024.

To avail oneself of an Early Offer a prospective Resident needs to have completed all components of the Application Process and to have paid the \$1400.00 pre-payment (inclusive of First Year and O Week charges).

Where a prospective Resident does not receive a QTAC offer or elects not to attend a Brisbane University, the College will refund \$1,400, up until 19 January 2024.

Register online and our Registrar will email you the Application and Early Offer Program forms.
